## SIXINCH® North America launches new website

New furniture website responds to needs of architects and designers to access product-related information in a fast and convenient format

GOSHEN, IND. - SIXINCH North America has launched a new website dedicated to architects and designers.

The new website has been developed by understanding the need of architects and designers to access the product-related information for their projects in an online, transparent and convenient format.

Josh Taylor, Director of Marketing said, "SIXINCH is a designer-focused company and we strive to launch innovative solutions that offer complete peace of mind to the 'A&D' community. We have been extensively digitizing our products and with the launch of the new website, we will establish a direct connect with our fan base."

The new site is designed to provide the ultimate user-friendly experience with improved navigation and functionality throughout, allowing users to access detailed product information and downloadable resources.

Key features include [Design Resources](#) where you'll find thousands of useful downloads and [Projects](#) showcasing inspiring SIXINCH uses from around the globe. Users can also meet 14 SIXINCH [Designers](#) and view an ever-expanding [Video Library](#).

### **About SIXINCH North America**

Founded in Belgium in 2003 by Pieter Jamart and Michel Sels, SIXINCH was born from a passion for innovative materials and progressive design. In 2013, Peter and Michel partnered with U.S.-based Wieland Designs, a well-respected company in the furniture industry, and expanded the footprint for one of the most talked about furniture brands in the world. The name SIXINCH comes from the space between our ears, a mere 150 mm wide, or six inches. Learn more at [sixinch.us](http://sixinch.us).
